

Welcome to LGA BlackBerry® Internet Service.

To begin receiving and sending emails on your BlackBerry® device, you will have to set up at least one existing work or personal email account in the BlackBerry® Internet Service.

Note: You can only set up to a maximum of 10 email accounts.

1. Please go to URL : <http://blackberry.lgatelecom.net/login/>
2. Refer to your username and password provided with your BlackBerry® device.
3. Key in the information for <User name> and <Password> and click <Log In>.

7. Select either personal or work email account and click <Next>.

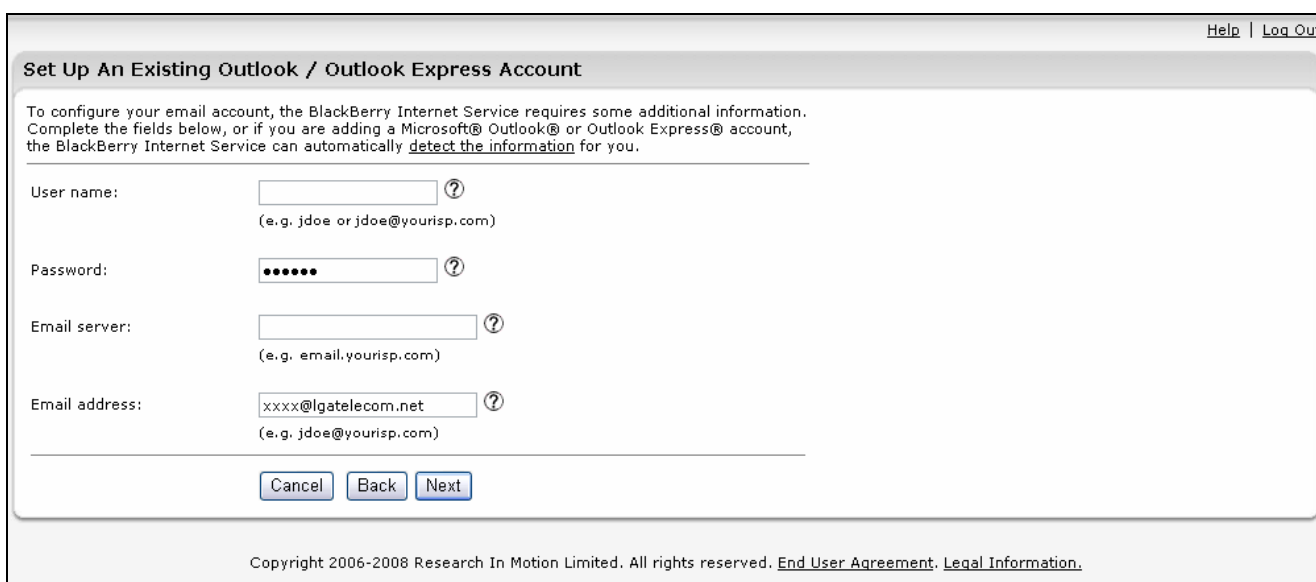

The screenshot shows a dialog box titled "Select Account Type" with a "Help" and "Log Out" link in the top right corner. The main text reads: "We were unable to configure xxxx@lgatelecom.net. Please select one of the following options:". There are two radio button options: "This is my personal email account." (which is selected) and "This is my work email account.". Below the options are "Cancel" and "Next" buttons. At the bottom, there is a copyright notice: "Copyright 2006-2008 Research In Motion Limited. All rights reserved. [End User Agreement](#). [Legal Information](#)."

8. Select <I will provide the setting to add this email account> and click <Next>.

The screenshot shows a dialog box titled "Set Up An Existing Personal Email Account" with a "Help" and "Log Out" link in the top right corner. The main text reads: "We require additional information to configure your xxxx@lgatelecom.net account. Please tell us how you access your email by selecting an option below, then click 'Next'.". Below this is a section titled "Internet Service Provider Email (POP/IMAP)" with two radio button options: "Automatically detect my Microsoft® Outlook™ or Outlook Express™ settings." and "I will provide the settings to add this email account." (which is selected and indicated by a red arrow). Below the options are "Cancel", "Back", and "Next" buttons. At the bottom, there is a copyright notice: "Copyright 2006-2008 Research In Motion Limited. All rights reserved. [End User Agreement](#). [Legal Information](#)."

9. In below screen, you are required to key in the below information and then click <Next>.
- Your username of your email account
  - The password of your email account
  - The incoming mail server name (eg: pop.domain name). You may check with your email hosting company on the incoming mail server name
  - Email address of your account (eg: [example@hotmail.com](mailto:example@hotmail.com))

### Set Up An Existing Outlook / Outlook Express Account

To configure your email account, the BlackBerry Internet Service requires some additional information. Complete the fields below, or if you are adding a Microsoft® Outlook® or Outlook Express® account, the BlackBerry Internet Service can automatically detect the information for you.

User name:  ?  
(e.g. jdoe or jdoe@yourisp.com)

Password:  ?

Email server:  ?  
(e.g. email.yourisp.com)

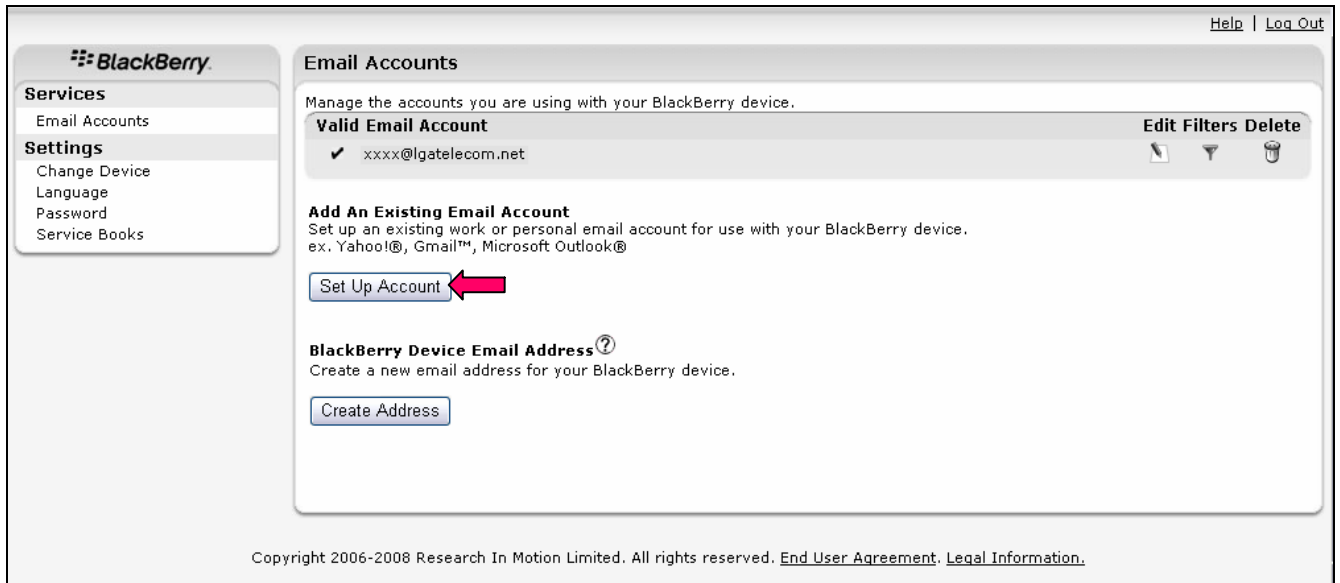

Email address:  ?  
(e.g. jdoe@yourisp.com)

Copyright 2006-2008 Research In Motion Limited. All rights reserved. [End User Agreement](#). [Legal Information](#).

10. Upon seeing the below window popup, it indicates that email account has been created successfully.

11. To continue to add more existing email accounts that you want to access from your BlackBerry® device, click <Set Up Account> and repeat Step 4 to 9 again.

For further information on the LGA BlackBerry® Internet Service, you may refer to the **Blackberry® Internet Service User Guide (Detailed)** available at: <http://www.lgatelecom.net/service/blackberry> under <Downloads>.
